## Status to Check if Leave Applied is Approved or Rejected

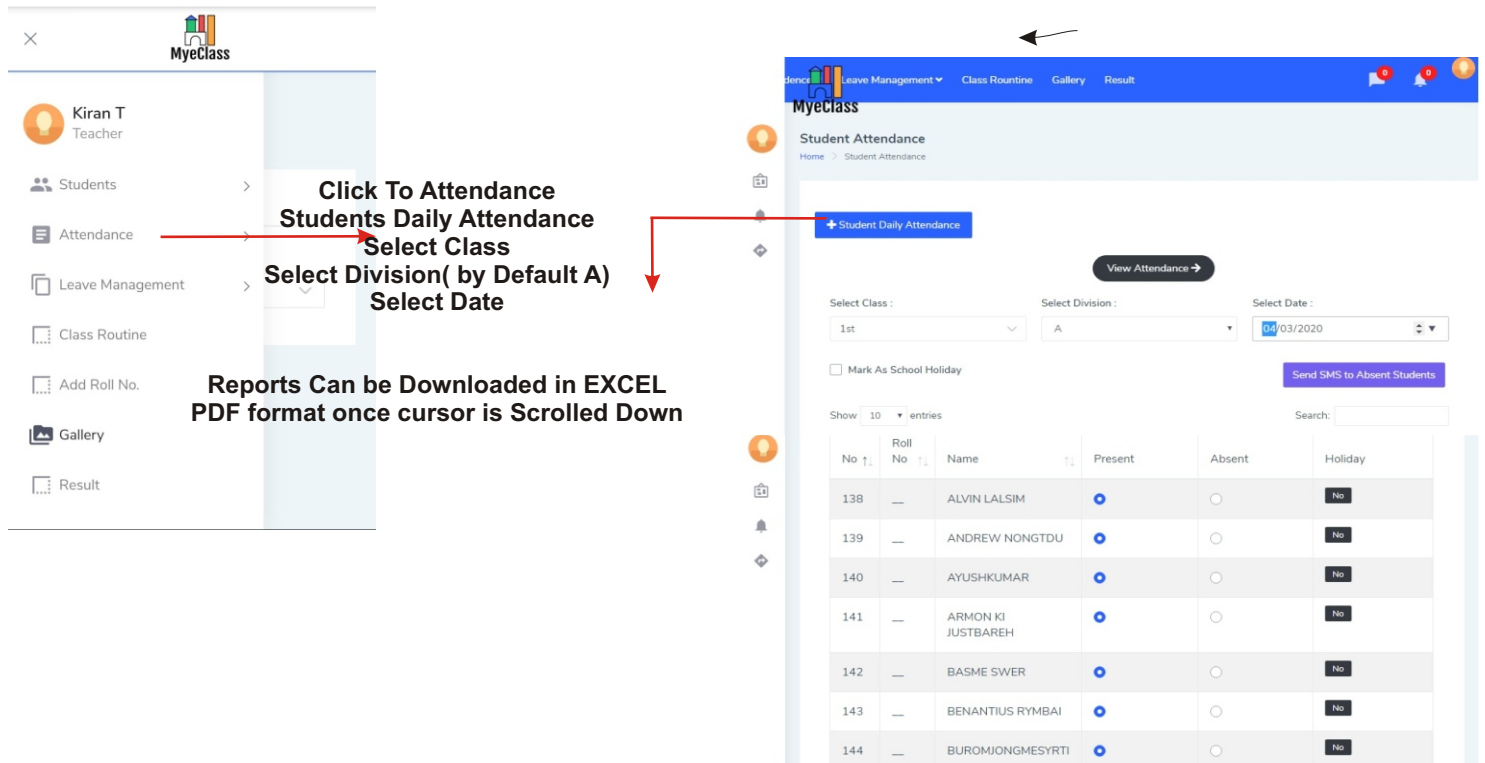

The screenshot shows the MyeClass 'Leave Management' page. On the left, a sidebar menu lists 'Students', 'Attendance', 'Leave Management', 'Class Routine', 'Add Roll No.', 'Gallery', and 'Result'. The main content area is titled 'Leave Management' and contains a table with columns: No., Applied, Type, From, To, Reason, Status, and Delete. A red arrow points from the 'Status' column to a larger screenshot on the right. The larger screenshot shows the 'My Leaves' page with a 'Leaves Applied List' and an 'Add Leave' button. Below this is the 'Add Leave Type' form with fields for 'Select Leave Type' (Casual Leave), 'From Date' (04/04/2020), 'To Date' (06/04/2020), and 'Reason' (Family Function). A 'Submit' button is at the bottom right.

From Dashboard  
Click My Leaves  
Will be able to see the Leave History

## Attendance Management

Attendance will Be Management Through RFID attendance System Installed in The School Premises.  
Records can be checked anytime , by the Class Teacher and By the Staff.

The screenshot shows the MyeClass 'Student Attendance' page. On the left, a sidebar menu lists 'Students', 'Attendance', 'Leave Management', 'Class Routine', 'Add Roll No.', 'Gallery', and 'Result'. The main content area is titled 'Student Attendance' and contains a 'Student Daily Attendance' button. Below this is the 'View Attendance' form with fields for 'Select Class' (1st), 'Select Division' (A), and 'Select Date' (04/03/2020). There is a checkbox for 'Mark As School Holiday' and a 'Send SMS to Absent Students' button. Below the form is a table showing attendance records for students. A red arrow points from the 'Attendance' menu item to the 'Student Attendance' page. Another red arrow points from the 'View Attendance' button to the table.

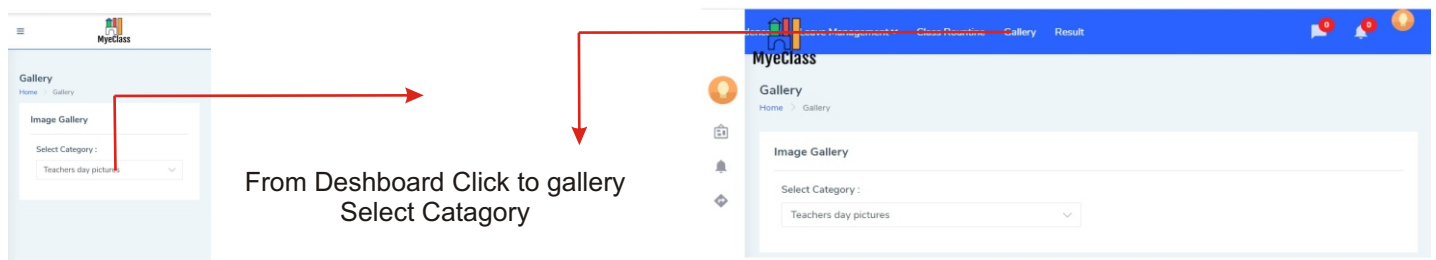

Click To Attendance  
Students Daily Attendance  
Select Class  
Select Division( by Default A)  
Select Date

Reports Can be Downloaded in EXCEL  
PDF format once cursor is Scrolled Down
